

HOUSE BUILD 2017

Shared Parish Whole Family Mission Project

Sign Up Today To Participate – Individuals and Whole Families Welcome!

No Specials Skills Required

Housing is a basic human need.

Sadly, many people are without a simple, decent place to live in dignity and safety.

What we are building

Our job will be to construct a house frame – the basic walls and infrastructure – in ONE weekend in the CK parking lot. The structure will then be transported to a partner organization (such as Habitat for Humanity) that will complete the project with skilled laborers (plumbers, electricians, etc). The home will then be dedicated to a family in need.

When & Where

June 9-11, 2017

Christ The King

During the weekend, we will do more than build a house. We will pray, laugh, renew old friendships, and build new relationships.
